SEASONS OF

FOREWORD

With the passing of seasons the echoes of our school life will grow fainter and fainter, and then die away. Gone forever will be the routine of school life, the fun we had and the friends we made. It is the hope of the 1965 MUSTANG STAFF that, as you glance through this book in the years to come, you will recapture those moments--and the echoes will begin again.

Diane Cornelius

PRINCIPAL'S MESSAGE

He that governs well leads
the blind. But he that
teaches gives them eyes.

With the passage of
years you may look back
upon this year as the time
when the darkness of
ignorance suddenly be-
comes bright with the
gleam of knowledge.

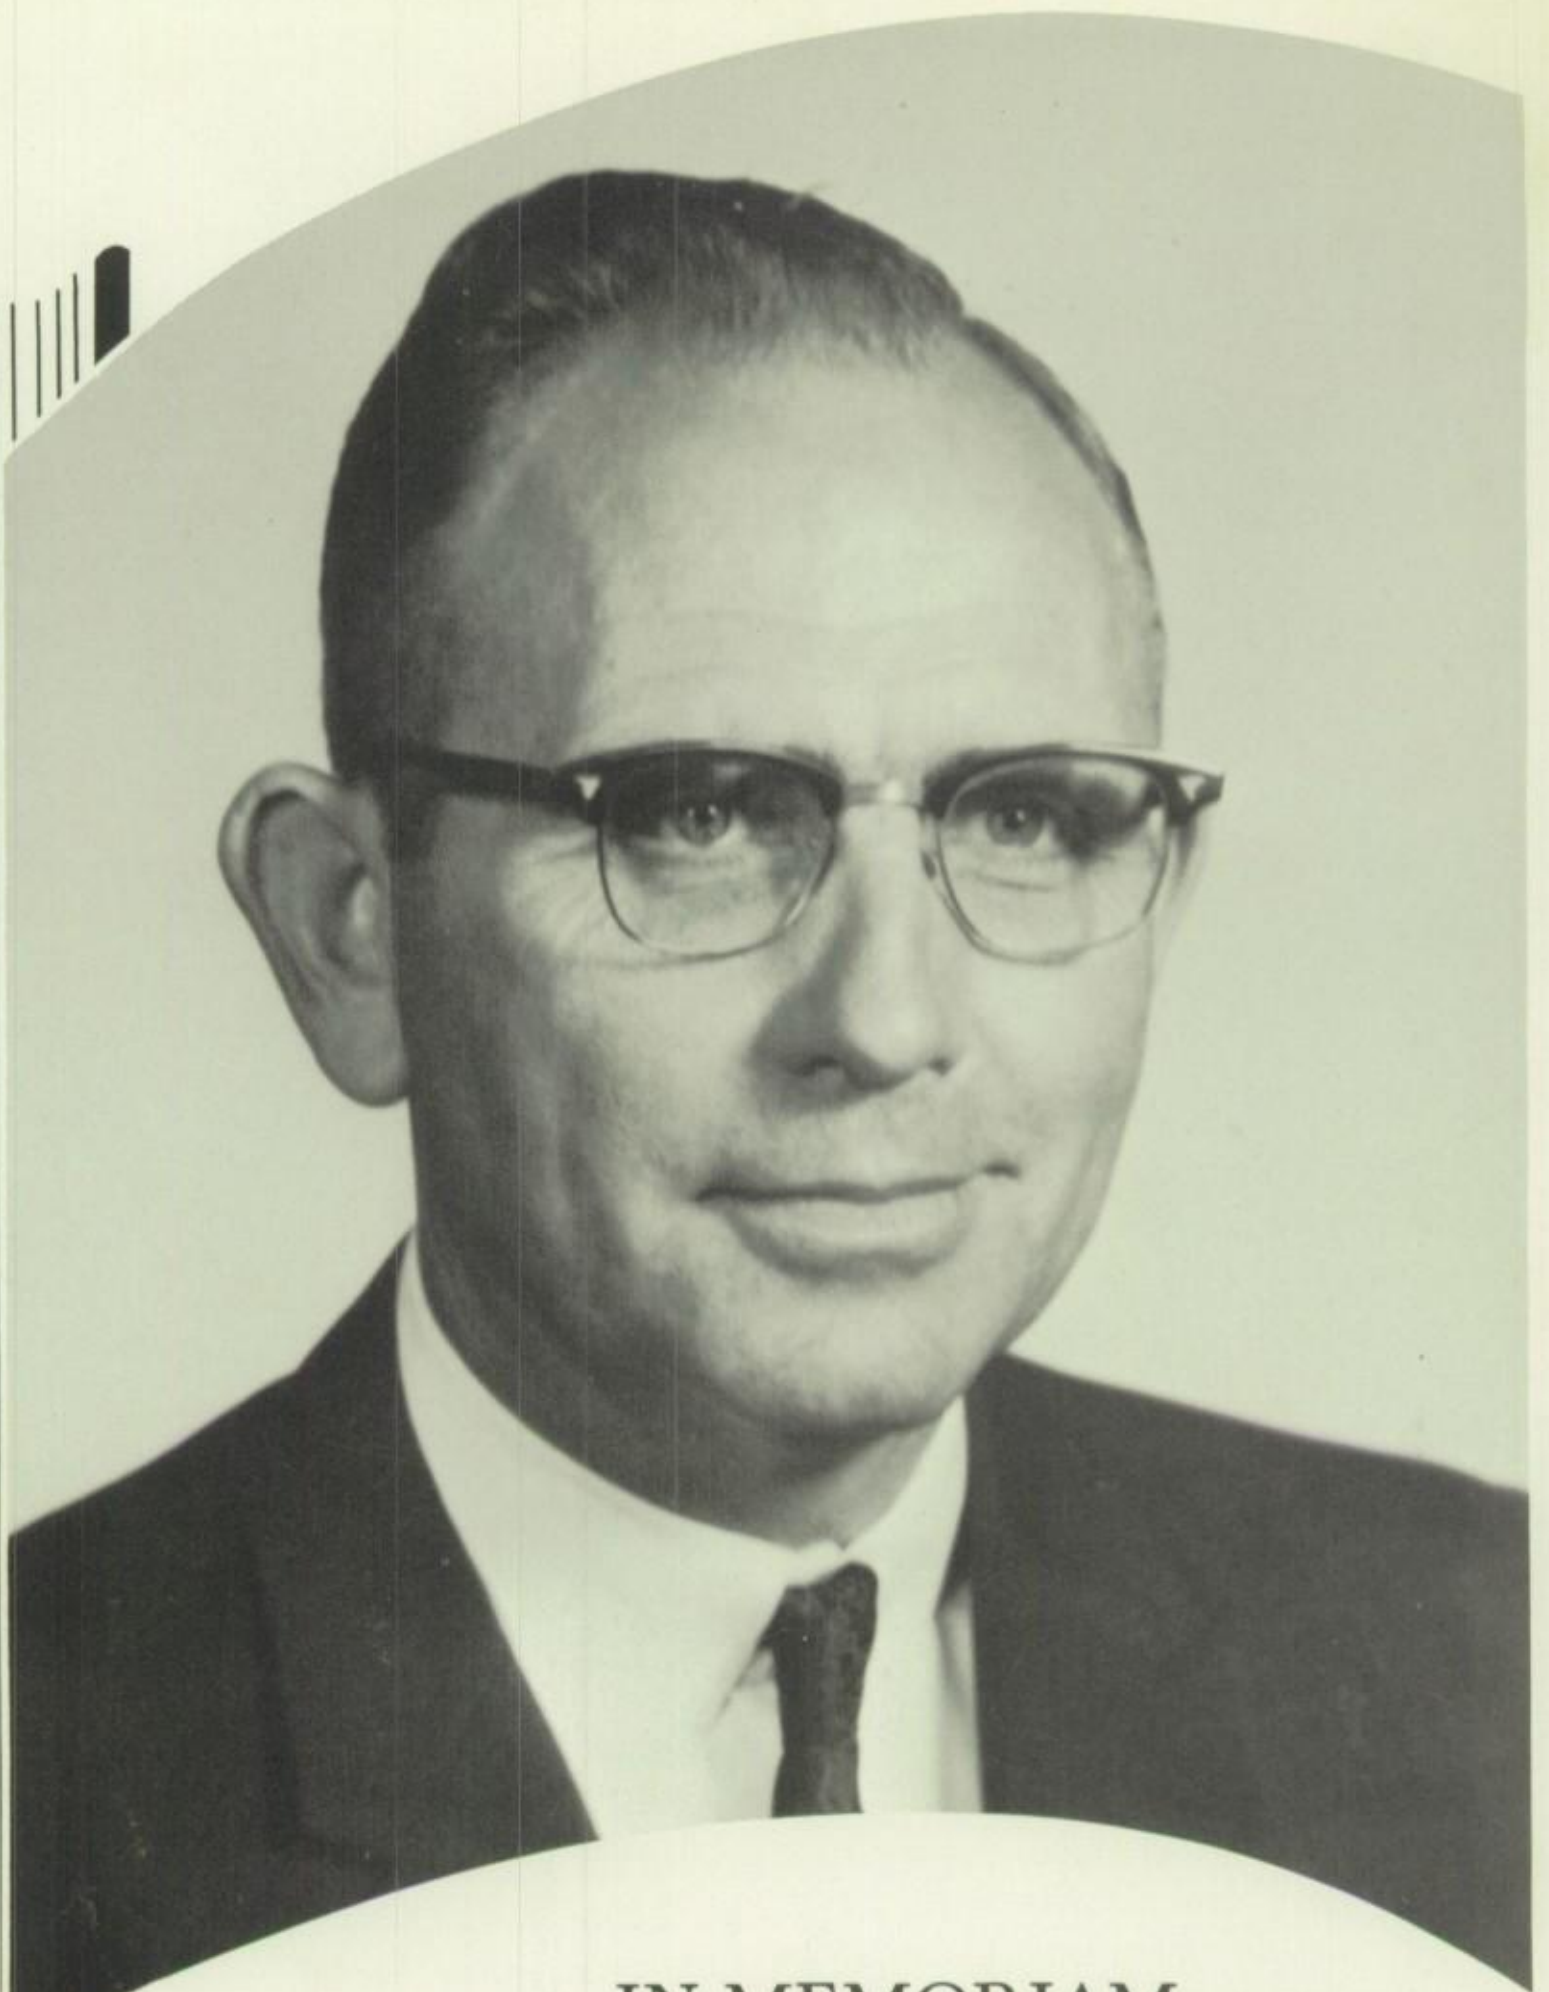

To preserve a word
of these moments and the
countless other exper-
iences of you and your
classmates, this annual
strives to captive the eyes
and minds of scholarship,
the leadership, the activi-
ties, and the character of
Mantachie High School.

The annual staff worked
long and hard hours to
make it possible for you
to recall these moments
and experiences. Their
work is appreciated more
than words can express.

This spring brings to a
close another profitable
year. I have enjoyed
every moment and looking
forward to next fall.

L. R. Langley

IN MEMORIAM

BONNIE RAY PITTS

He came to our school in 1951 in his early years of teaching. We all loved and appreciated him more for his high ideals and Christian living among his fellowmen. He literally gave of himself to be his brothers' keeper; he was truly a tree planted by the rivers of water; he built his bridge strong for the fair-haired youth who came his way. The last page of his Lives' book was closed on October 20, 1964, but his memory will continue to live silently in our hearts and be an inspiration to us.

DEDICATION

In the darkest moments of our needs and low spirits, she was always there with an encouraging word and a sympathetizing heart.

How then can we, the MUSTANG Annual Staff, express our feelings in a dedication such as this. This will never reveal all our appreciation, friendship, and most of all our love for such a wonderful person and teacher.

But through this dedication, we wish to say, "Thank you, Mrs. Laney, thank you for everything".
